

Survival!

In *Ashfall*, Alex has to use the materials he finds in his house to determine what will be most helpful on his journey to find his family. What do you think would be most valuable on a trip such as this?

Below is a list of items mentioned in the novel. You and your team will divide the items into what would be most valuable in this survival situation, and what would not be valuable at all.

Remember, that you only have a backpack to carry your items in, so you must choose wisely. You will have only 5 minutes to make your determinations. At the end of your sorting, you will be given a survival rating. How well will your group do??
